

## **Westover Conducting Community Survey for Comprehensive Plan**

The City of Westover is currently in the process of updating the 2013 comprehensive plan. The purpose of a comprehensive plan is to identify issues and concerns of residents that are negatively affecting the quality of life for those that live and work in Westover. The plan will include a detailed action plan outlining specific steps that City government and other partners can take to address the identified issues and concerns. The plan will also be the foundation for future growth and development in the City.

As the plan revolves around issues in Westover, citizen input is a vital part of the planning process. Therefore, a survey has been created to solicit input from the general public. The survey is designed to only take a few minutes to complete and will help local elected officials identify issues and concerns in in the City of Westover. This information is vital in helping define the future of Westover and what actions the City should take in order for it to prosper.

The survey can be found online at <https://www.surveymonkey.com/r/WestoverCompPlan>

The City has also developed a survey specifically for the youth in the community. This survey is geared towards high school and younger students, our next generation and future of the community. The survey can be found online at <https://www.surveymonkey.com/r/WestoverYouth>

Hard copies of the survey are also available at City Hall.
